

RENO

DINING CHAIR

Rava explores a contemporary interpretation of rattan, blending natural and synthetic fibers to create soft, sculptural forms with a refined presence. The collection balances craftsmanship and modern comfort, where rounded lines and layered structures highlight the flexibility and warmth of rattan. The layered rattan frame and softly rounded rectangular backrest give Reno a refined, structured silhouette. Its warm natural finish highlights the craftsmanship and adds a subtle elegance to the dining space.

Engraved brass plaque

Simple lines, natural tones, and effortless comfort.

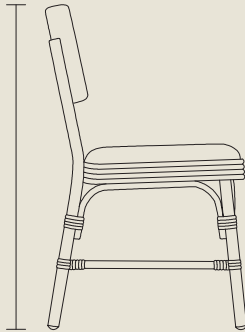

Elegant and balanced, **Reno** combines a lightweight rattan frame with a softly padded seat and backrest. Its clean proportions make it ideal for dining spaces that value comfort without visual heaviness. A versatile piece suited for both residential and hospitality projects.

MATERIALS

We work with **solid teak, reclaimed wood, aluminum, brushed brass, natural rattan, terrazzo, lava stone, and textured concrete** — all responsibly sourced in Indonesia.

Each selection is made to combine visual harmony with durability, guided by our in-house architect to ensure every project meets the highest hospitality standards.
