

SORA

DINING ARMCHAIR

The **Serene collection** embraces a calm and balanced approach to design, where handcrafted teak structures meet delicately woven wicker. Each piece is shaped by hand, allowing the natural character of the wood to show through subtle variations, while the weaving adds softness, texture, and lightness. The woven seat and painted wood frame give Sora its distinctive character, pairing rustic craftsmanship with a fresh, playful touch.

Engraved brass plaque

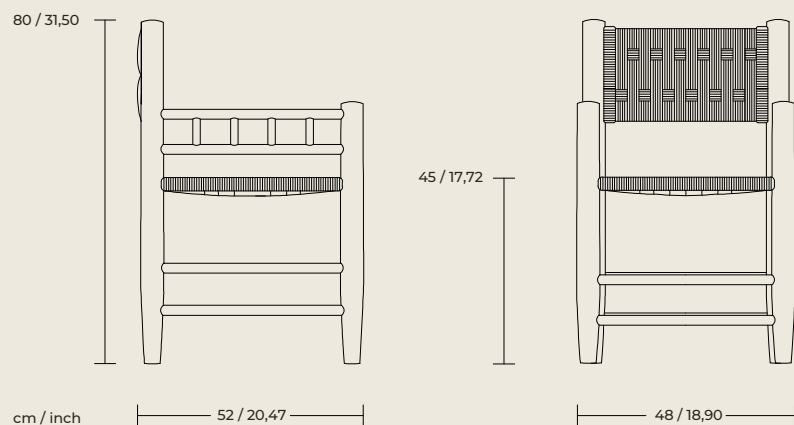

Simple lines, natural tones, and effortless comfort.

Sculptural and serene, **Sora** blends solid teak structure with handwoven wicker to create a dining chair that feels both grounded and light. Its balanced proportions and natural textures bring warmth and calm to refined dining spaces, indoors or under covered outdoor areas.

DINING ARMCHAIR

MATERIALS

We work with **solid teak, reclaimed wood, aluminum, brushed brass, natural rattan, terrazzo, lava stone, and textured concrete** — all responsibly sourced in Indonesia.

Each selection is made to combine visual harmony with durability, guided by our in-house architect to ensure every project meets the highest hospitality standards.
